
HCP/GE National Medical Office Portfolio 30 Property Portfolio Sale

- Savills acted as consultant and financial advisor to HCP, the largest healthcare REIT in the nation, and GE Finance Company with respect to the disposition of a portfolio of 30 medical office buildings totaling approximately 1.2 million square feet. The buildings were located in nine states, primarily in the South and Southeast, were affiliated with HCA hospitals and were approximately 82% leased at the time of the offering. HCA is the largest investor-owned health system in the nation.
